

ABRAHAM A. APPIAH

Entry-level Software Development

Location: Imus, Cavite, Philippines

Phone Number: 09998469404

Email Address: abrahamappiahwork@gmail.com

Objective: An Adaptable and responsible Bachelor's Degree in Information Technology recent graduate, seeking an entry-level position in the software development field. As a 1st-time job seeker, my goal is to build my foundation and to develop experiences so that I'll have a successful future in this industry. I want to be part of your company where I could add value, produce a positive return on investment, and join a strong team where I could contribute to delivering satisfactory results. Limited in knowledge, I am willing to undergo training to familiarize myself to be more efficient, knowledgeable, and dependable to confidently work alongside my team and your company. I am diligent, detail-oriented, and eager to learn about new technologies and I can work effectively both independently and as a part of a team.
