EXPERIENCE

IT Specialist

DHL Supply Chain Philippines | Aug 2025 – Feb 2026

- Delivered L1/L2 support for 400–500+ users across warehouse and office operations while resolving 80+ tickets daily.
- Administered Active Directory user lifecycle tasks, including onboarding, permissions, and offboarding.
- Monitored warehouse network infrastructure and access points, resolving connectivity issues before operational disruption occurred.
- Managed hardware inventory, deployment, and asset tracking with audit-ready documentation accuracy.
- Supported MFA enforcement and phishing awareness initiatives to strengthen endpoint security compliance.
- Coordinated with external vendors for hardware procurement, installations, and infrastructure-related support.
- Supported warehouse management systems (WMS) critical to daily logistics operations and issue escalation workflows.
- Identified recurring incident patterns and improved troubleshooting workflows to reduce repeat tickets.

Customer Service Representative

Carelon Global Solutions | Mar 2024 – Nov 2024

- Resolved high-volume healthcare inquiries for a US insurance account while maintaining HIPAA compliance standards.
- Managed CRM case tracking and documentation with consistent accuracy and audit readiness.
- Communicated technical and account-related concerns clearly across customer-facing interactions.
- Maintained quality and resolution standards in a fast-paced support environment.

Operations Assistant

Family Business | Oct 2022 – Dec 2023

- Managed supplier coordination, inventory monitoring, and daily operational support for a small retail business.
- Handled customer transactions and inquiries while maintaining organized sales and inventory records.
- Supported consistent stock availability through accurate inventory tracking and coordination.

Web Developer Remote Internship

Go Crayons | Feb 2022 – May 2022

- Completed 500+ hours of structured training in HTML, CSS, JavaScript, and WordPress development.
- Assisted with website updates, front-end tasks, and content management in a remote team environment.
- Contributed to live website builds while developing foundational full-stack development skills.
