PROFESSIONAL SUMMARY

IT Administrator with hands-on experience supporting enterprise IT operations for 400–500 users across warehouse and office environments. Experienced in workstation deployment, Active Directory administration, Windows Server 2022, Microsoft 365, ServiceNow, IT asset management, and user onboarding and offboarding. Skilled in troubleshooting hardware and software issues, maintaining secure user access, and supporting daily business operations through organized documentation and timely technical support.

EXPERIENCE

IT Specialist

DHL Supply Chain Philippines | Aug 2025 – Feb 2026

- Supported more than 400 employees by provisioning user accounts, troubleshooting technical issues, and maintaining enterprise IT systems.
- Configured laptops, desktops, and end-user devices for deployment across warehouse and office operations.
- Managed Active Directory accounts, password resets, permissions, and onboarding and offboarding activities.
- Administered Microsoft 365 services, including email access, collaboration tools, and shared resources.
- Maintained accurate IT asset inventory, software records, and ServiceNow documentation.
- Enforced user access controls and supported MFA implementation to strengthen endpoint security.
- Coordinated with vendors for equipment procurement, maintenance, repairs, and deployment activities.

Customer Service Representative

Carelon Global Solutions | Mar 2024 – Nov 2024

- Resolved high-volume healthcare inquiries for a US insurance account while maintaining HIPAA compliance standards.
- Managed CRM case tracking and documentation with consistent accuracy and audit readiness.
- Communicated technical and account-related concerns clearly across customer-facing interactions.
- Maintained quality and resolution standards in a fast-paced support environment.

Operations Assistant

Family Business | Oct 2022 – Dec 2023

- Managed supplier coordination, inventory monitoring, and daily operational support for a small retail business.
- Handled customer transactions and inquiries while maintaining organized sales and inventory records.
- Supported consistent stock availability through accurate inventory tracking and coordination.

Web Developer Remote Internship

Go Crayons | Feb 2022 – May 2022

- Completed 500+ hours of structured training in HTML, CSS, JavaScript, and WordPress development.
- Assisted with website updates, front-end tasks, and content management in a remote team environment.
- Contributed to live website builds while developing foundational full-stack development skills.

Capstone Thesis Project manager/Front-end developer

Lyceum of the Philippines University, Cavite, Philippines | June 2021 – March 2022

- Served as the Project manager and Front-end developer of our group for our thesis project, where we created a "VR Tour Web and Mobile Application" of our school within the given timeframe during the pandemic.
