PROFESSIONAL SUMMARY

Front-End Developer with a background in enterprise IT operations and technical support at DHL Supply Chain. Skilled in building responsive web interfaces using HTML, CSS, JavaScript, and WordPress, with foundational experience in Java and MySQL. Combines development knowledge with real-world systems troubleshooting, user support, and operational problem-solving. Experienced working in fast-paced environments requiring clear communication, adaptability, and attention to detail.

TECH STACK

Front-End Development: HTML5, CSS3, JavaScript, Bootstrap, Responsive Design

Back-End & Database: Java, MySQL

CMS & Web Tools: WordPress, GitHub, Visual Studio Code

IT & Systems: Active Directory, Windows Server 2022, ServiceNow, VMware

AI & Productivity Tools: ChatGPT, Claude AI, Gemini, Microsoft Copilot

Communication: Microsoft Teams, Zoom, Slack, Google Meet

PROJECTS

Portfolio: kingsmanabe.github.io/my-portfolio/

- Built and deployed a responsive personal portfolio website showcasing development projects and technical skills.
- Designed mobile-friendly layouts using HTML, CSS, and JavaScript.
- Organized project sections, navigation flow, and UI structure for improved user experience and readability.
- Deployed and maintained the portfolio using GitHub Pages.

WordPress Website Projects

- Assisted with website updates, content management, and front-end customization using WordPress.
- Supported responsive layout improvements and UI adjustments for client-facing websites.
- Collaborated in remote development workflows during live website builds.

EXPERIENCE

IT Specialist

DHL Supply Chain Philippines | Aug 2025 – Feb 2026

- Delivered L1/L2 support for 400–500+ users across warehouse and office operations while resolving 80+ tickets daily.
- Administered Active Directory onboarding, permissions, MFA enforcement, and user access management.
- Supported operational systems and infrastructure critical to daily logistics workflows.
- Coordinated with vendors and internal teams to resolve technical issues and maintain operational continuity.

Customer Service Representative

Carelon Global Solutions | Mar 2024 – Nov 2024

- Managed high-volume support interactions for a US healthcare account while maintaining HIPAA compliance standards.
- Developed strong communication and problem-solving skills across fast-paced customer-facing operations.

Web Developer Remote Internship

Go Crayons | Feb 2022 – May 2022

- Completed 500+ hours of structured web development training focused on HTML, CSS, JavaScript, and WordPress.
- Contributed to live website builds and assisted with front-end development tasks in a remote team environment.
- Supported website troubleshooting, updates, and responsive design improvements.
