EXPERIENCE

IT Specialist

DHL Supply Chain Philippines | Aug 2025 – Feb 2026

- Managed 80+ daily service requests supporting 400–500+ employees with consistent same-day resolution.
- Maintained accurate ServiceNow ticket tracking and documentation with zero unresolved requests.
- Coordinated vendor schedules, project timelines, and follow-ups across multiple operational tasks.
- Produced operational reports and stakeholder updates, simplifying technical issues into actionable summaries.
- Managed Active Directory access and sensitive user data with zero security incidents.
- Improved internal workflows by identifying recurring issues and reducing repeat support requests.

Customer Service Representative

Carelon Global Solutions | Mar 2024 – Nov 2024

- Resolved high-volume healthcare inquiries for a US insurance account while maintaining HIPAA compliance standards.
- Managed CRM case documentation and reporting with consistent accuracy and organization.
- Delivered professional email and phone communication across customer-facing interactions.
- Maintained quality and resolution targets in a fast-paced support environment.

Operations Assistant

Family Business | Oct 2022 – Dec 2023

- Managed inventory tracking, supplier coordination, scheduling, and daily business operations independently.
- Processed customer transactions and inquiries while maintaining organized financial records.
- Supported repeat business through reliable customer service and accurate order handling.

Web Developer Remote Internship

Go Crayons | Feb 2022 – May 2022

- Completed 500+ hours of remote training in HTML, CSS, JavaScript, and WordPress development.
- Assisted with website updates, content management, and basic troubleshooting tasks.
- Contributed to live website builds in a remote team environment.

EDUCATION

Bachelor of Science in Information Technology
Lyceum of the Philippines University – Cavite
June 2022
